MESSAGE FROM PRINCIPAL’S DESK

It is with a matter of great pleasure that KVT is bringing out the primary Newsletter for the academic year 2014-2015.

The Newsletter not only provides a platform for the development of writing and creative skills among students but also highlights the achievements of the school in various fields during this season.

The fast changing world has set new standards for success based on an ever increasing quest for knowledge and excellence. Nevertheless I would like to express my concern on the declining value system of the present generation. Technology has invaded into every sphere of our lives. Learners are being exposed to all kinds of information at a vulnerable age misleading them and they do not know the consequences of the path they are treading on.

Hence it is the duty of the school, parents and society to inculcate in them the fear of God, empathy, respect for elders and women, love for nature and values that would mould them into balanced personality thus making him ready to face the challenges of life, for a better tomorrow.

I extend my best wishes to the teachers and students who toiled to bring out this Newsletter.

EDITORIAL MESSAGE

‘Be like the humming bee and pick up the honey of all virtues’

The aim of the ‘Buzzing Bees primary Newsletter’ is to channelize the creative talents and to showcase the activities of the primary children under the CMP.

The Newsletter was like a vast canvas on which the students painted with skillful strokes and vivid colours with their innovative and creative artistic expressions in the form of art, poetry, write ups etc. The result is a master piece of breathtaking beauty.

In the process like the ‘Buzzing Bees’ they learnt valuable lessons of team spirit, hard work and cooperation and a sense of achievement.
HM’s MESSAGE

A child is full of innate potentialities and creative thoughts. In Education a facilitator plays a major role in identifying and bringing their talents to limelight.

The newsletter provides to nurture and nourish child’s imagination and creative ability. I hope that you would go through the efforts put in by our children and appreciate their tender thoughts.

I thank all my teachers and the newsletter committee for their kind co-operation and the efforts, talents, skill they have put in and My sincere thanks to our Principal and Vice-Principal for their support and guidance in bringing out the newsletter.
